

Put Your Money Where Your Mouth Is

Rose Royce

Put your money where your mouth is
Or you ain't saying nothing
Put your money where your mouth is
Or you ain't saying a damn thing

Talk is cheap
(That's right honey)

De-de-de-de...

Put your money where your mouth is
Or you ain't saying nothing
Put your money where your mouth is
Or you ain't saying a damn thing

Right on

Rock steady
Ooh this groove is right
Boogie
Let me see you get down
Come on and boogie y'all
Let me see you get down
Come on come down and boogie
Yeah I wanna see you get down
I wanna see you get down

Put up or shut up

Put your money where your mouth is
Or you ain't saying nothing
Put your money where your mouth is
Or you ain't saying a damn thing
