

Escape

Rosetta Stone

Concrete symmetry, TV
Light and sound, believing
Distant echoes, laughter
Envy feeds the king, thereafter

This is a place from which no light escapes
This is a place from which no light escapes
Sometimes, the good fail
What language is this?
This is all we know
Expectations are low
We will die here
Grow old and die here
We will die here
Grow old and die

This is a place from which no light escapes
This is a place from which no light escapes
Sometimes, the good fail
What language is this?

This is all we know
Expectations are low

We will die here
Grow old and die here
We will die here
Grow old and die

Sometimes, the good fail
What language is this?
This is all we know
Expectations are low

We will die here
Grow old and die here
We will die here
Grow old and die

This is a place from which no light escapes
This is a place from which no light escapes
This is a place from which no light escapes
This is a place from which no light escapes
