

# If Only and Sometimes

Rosetta Stone

Over land and sea, your haunting voice  
Will carry me to higher ground  
And fortify all I foresee  
And sanctify this given sound

If only I could see  
If only I could know  
If only and sometimes  
If only and sometimes  
If only I could venture back  
And change these things I've done to you  
And sometimes  
I find it very hard to find  
You must not turn away  
Don't turn away  
Fade and decay

When thoughts of black  
Run through your mind  
Imaginations over time  
It can't be seen, this only fear  
Cannot be touched  
For it's so near  
Over land and sea, your haunting voice  
Will carry me to higher ground

And fortify all I foresee  
And sanctify this given sound  
If only I could see  
If only I could know  
If only and sometimes  
If only and sometimes  
If only I could venture forth  
And see what will become of this  
And sometimes  
I find it very hard to find  
You must not turn away  
Don't turn away  
Fade and decay  
Fade and decay

Where will this end  
I feel cold at times  
And I can't pretend  
That I'm innocent  
Of passion crimes  
Don't turn away, don't turn away  
Don't turn away, don't turn away

Don't turn away, don't turn away  
Don't turn away, don't turn away
