

If Paradise Is Half As Nice

Rosetta Stone

If paradise is half as nice as heaven that you take me to
Who needs paradise I'd rather have you.
They say paradise is up in the stars
But I needn't sigh because it's so far
'Cos I know it's worth a heaven on earth
To me where you are.

A look from your eyes
A touch of your hand

And I seem to fly to some other land
When you are around
My heart always pounds
Just like a brassband.

If paradise is half as nice as heaven that you take me to
Who needs paradis.e I'd rather have you
Oh yes I'd rather have you.

They say paradise is up in the stars
But I needln't sigh because it's so far
'Cos I know it's worth a heaven on earth
To me where you are.

A look from your eyes a touch of your hand
. . .

If paradise is half as nice as heaven that you take me to
. . .
