

Right As Rain

Rosetta Stone

I don't know what it is that you think that I owe you
You've got to get me out of here
God only knows all the guilt that I go through
You've got to get me out of here

Everything's as right as rain
The more things change the more that stay the same
Everything's as right as rain

Let me break you down 'cos I'm going to anyhow scared to open m
y mouth

I don't know what it is that is hiding behind you
You've got to get me out of here
Lead me to just one whom you try to be kind to
You've got to get me out of here

Can anybody hear me you've got to get me out of here
