

# Delirious

Rosette

Alright Alright Alright Alright

In The Dark Of Night  
You Creep Into My Dreams  
I Hold My Pillow Tight  
Pretend Your Holding Me  
I Just Close My Eyes  
Until You Come Again  
Into My Fantasy  
I Start To Spin

Impossible  
Inprobable  
Irrational  
Illogical  
Though I Try To Tell Myself  
I'm Alone There's No One Else  
I Start To Sweat I'm Soaking Wet  
Cause I'm Too Wrapped Up To Get Out Of It  
It's Taking Over Me  
So I Guess That I Must Be

De-De-Delirious  
Intoxicated With The Thought Of Us  
Tossing  
Turning  
Burnin For Your Touch

De-De-Delirious  
I've Got A Case Of Something Serious  
It's Like The Feeling Of Needing You So Much

In The Light Of Day  
Can't Get You Off My Mind  
All My Friends Can Wait  
I'm So Pre-Occupied  
I Hear You Whispering  
I Feel You Touching Me  
Could This Be Happening  
Could This Be Real

Impossible  
Inprobable  
Irrational  
Illogical  
I Try To Tell Myself  
I'm Alone There's No One Else  
I Start To Sweat  
I'm Soaking Wet  
Cause I'm Too Wrapped Up To Get Out Of It  
It's Taking Over Me  
So I Guess That I Must Be

De-De-Delirious  
Intoxicated  
With The Thought Of Us  
Tossing

Turning  
Burnin For Your Touch

De-De-Delirious  
I've Got A Case Of Something Serious  
It's Like The Feeling Of Needing You So Much

De-De-Delirious  
Delirious  
(Delirious)  
(Delirious)  
It Feels So Good  
Oh  
I'm Burning

I Start To Sweat  
I'm Soaking Wet  
Cause I'm Too Wrapped Up To Get Out Of It  
It's Taking Over Me  
So I Guess That I Must Be

De-De-Delirious  
Intoxicated  
With The Thought Of Us  
Tossing  
Turning  
Burnin For Your Touch

De-De-Delirious  
I've Got A Case Of Something Serious  
It's Like The Feeling Of Needing You So Much

De-De-Delirious  
Intoxicated  
With The Thought Of Us  
Tossing  
Turning  
Burnin For Your Touch

De-De-Delirious  
I've Got A Case Of Something Serious  
It's Like The Feeling Of Needing You So Much

Alright Alright  
(Oh Baby)  
(I'm Tossin, I'm Turnin')
