

## Disinterest

**Rotten Sound**

Nothing against reformations  
Minding only my own business  
Please take a stand!  
Show us that you are a human!  
Armies kill with no remorse  
It's OK unless someone you know dies  
Please take a stand!  
Show us that you are a human!  
Minding only your own business  
It's OK if you are someone you know  
Please take a stand!  
Show us that you are a human!
