Plan

Rotten Sound

Planning the retribution Inventing the sweet revenge Creation of belief To the human right to avenge

Berserk soldiers follow Their instincts so hollow Based on the guidance Of insane master plans

The bliss of planning The key of madness

Mass-delusion
Of executing parties
Leading the fallacy
Of bloody victory

Berserk Soldiers Follow
Their Instincts so hollow
Based on the guidance
Of insane master plans
Berserk Soldiers Follow
Their Instincts so hollow
Based on the guidance
Of insane master plans

The bliss of planning The key of madness The bliss of planning The key of madness

No matter how doomed they are They shall kill 'til their own death
