A Dead Poem

Rotting Christ

Focus tomorrow`s horizon Sorrow means no future Cover my face With my guilty hands

It's the season the trees die The birds don't sing anymore The rivers never come back Nature dies out

This tragic future destinied to hurt never heal What end can save me What good gives me an end

Nothing is innocent Nothing is fair I keep wondering How did I end up like this

First passion
Now is lost
A dramatic dead story
I killed all I have

My sadness is Translated into madness I spell meaningless words A poem for sorrow and death
