

Forest of N'gai

Rotting Christ

All powerful messenger
From the world of 7 suns to the earth
The forest of N'Gai, where we may come
The one who is not allowed to be called

It would be abundance
From the black goat of forest
Goat with the 1,000 infants
ITHAKUA will serve you
Oh father of million delights
And Zaar will be called from Arcturo

It's order of OUME AT TUIL
You will glorify Azathoth
And mega TSHATHOGUA TOGETHER
