

## Morality of a Dark Age

Rotting Christ

Fade to cold, beyond false arch  
Colourfull pictures taken of a dead mind  
Lifeless boatman in the shore of lake  
The tide will bring you  
The fullmoon removed now  
A mute riot with a horrific smell  
Extensive perpetuation  
Succeed the simple thought  
Manifest of a new reality  
Morallity of a dark age  
Special voice  
Rise above  
Ashes & Bones  
The law decide  
Transmit my word

Divided society, man against man  
Dogmatic philosophy, instincts of age  
Vibration skinning the map  
Like a satellite I watch all your moves  
Quarter fo a year  
Is enough  
The triangle cover all angles  
Just touch the ground & See your hands  
Two thousand years after christ
