1. Lay a whisper on my pillow, C F  
Dmi G  
leave a winter on the ground  
C F  
I wake up lonely, there's air of silence  
Dmi G  
in the bedroom and all around  
Ami C F G  
Touch me now, I close my eyes and dream away  
G C F  
R1: It must have been love, but is over now  
Dmi Ami G  
It must have been good, but I lost it somehow

From the moment we touched till the time had run out

2. Make believing, we're together  
that I'm sheltered by your heart Fmi  
But in and outside I've turned to water  
like a teardrop in your palm  
And it's a hard, winter's day, I dream away

It was all that I wanted, now I'm living without
