Laying in the back seat of my car making up

The night is so pretty and so young

The night is so pretty and so young

So very young...

Sleeping in my car - I will undress you
Sleeping in my car - I will caress you
Staying in the back seat of my car making love to you

Sleeping in my car - I will possess you
Sleeping in my car - certainly bless you
Laying in the back seat of my car making up

I will undress you
I will undress you

The night is so pretty and so young
