

# I'll Forgive You, but I Can't Forget

Roy Acuff

You ask me to forgive you, little darling  
To forget that our plans were upset  
I try oh so hard not to remember  
I'll forgive you but I can't forget

Somewhere I hope you are happy  
And I hope your heart holds no regrets  
Each night I pray the Lord to watch o'er you  
I'll forgive you but I can't forget

The sadness of our parting still lingers  
My eyes from tears are still wet  
I'll always love you forever  
I'll forgive you but I can't forget

Now that you've left me for another  
What a pity that we ever met  
For life's not worth living without you  
I'll forgive you but I can't forget
