

Tis Sweet To Be Remembered

Roy Drusky

It's so sweet to be remembered
On a bright or gloomy day
It's so sweet to be remembered
By a dear one far away

Tis sweet to be remembered
Remembered remembered
Tis sweet to be remembered
When you are far away

As I travel on this world
Just to soothe my roving mind
The messages I get from a dear one
Left behind

They were filled with sweetest words
That's so touchy when I heard
Marry me and I'll forget
These are some things that she said

It's so sweet to be remembered
On a bright or gloomy day
It's so sweet to be remembered
By a dear one far away

Tis sweet to be remembered
Remembered remembered
Tis sweet to be remembered
When you are far away
