

Love Storm

Roy Orbison

I'm Caught in a love storm
Yeah lost in a love storm
I hate to complain about all this rain
falling in my heart
there's so much pain when I hear your name
my teardrops start
a lovestorm

I'm Caught in a love storm
Yeah lost in a love storm
why o why is my sky
always cloudy and gray
when o when will the sun come again
and put to an end
this lovestorm

Oh to have you
then to lose you
makes me wish
I'd never been born

'cause you see
since you left me
I'm in a lovestorm

Oh to have you
then to lose you
makes me wish
I'd never been born

Please oh please
come back to me
then I won't be
in this lovestorm
