

All In My Head

Royal Bliss

I try to find the motive
I'm waiting out the fight inside
[?] it all just seems to slip away
And why I'm in, well I'll keep it to myself
No one needs to know what's wrong
I've already said

It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah

Ignites the feast, a core release
Of all these things I could not speak
Now come out enraged when I'm not there
That's why I'm scared to be by myself
Wish I'd have talked to me
This wrong I already said

It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah

Oh, I fall upon my knees
'Cause I can't carry all on me
What you say, I cannot hear you now
All I had, all I've said [?]

It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah

(Wake me up)

...

It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah
It was all in my head
All in my head, yeah
