

Bleed My Soul

Royal Bliss

Sometimes I gotta bleed my soul
Crawling it for in the morning
All the nights I loose all control
Never could go this life boring
I care as much as any one else can
I walk the line my people drag me down

Yeah!!

Woohooooa gonna bleed my soul
yeeahea with rock and roll
Woohooooa gonna bleed my soul
yeeahea with rock and roll

See that stars thats far in the sky
they seemed to be found in a curious line
Nowadays I loose all my time
Inbetween worlds that were for in

And I care as much as anyone else can
Yeahea I live my live while people drag me down

Yeaheaaaaaaa

Woohooooa gonna bleed my soul
yeeahea with rock and roll
Woohooooa gonna bleed my soul
yeeahea with rock and roll

Come on!!!

Nowadays I loose all my time
Inbetween worlds that were for in
