

# Goin' to Hell

Royal Bliss

Well, I've been forgiven  
For all the things I've said and done  
If I burn am I the victim  
My passion is a smokin' gun

Tell me who is gonna save me  
The truth is I don't care  
'Cause in the end I know...

I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell, yeah

Yeah I ride the white lightnin'  
Goin' faster than a man should go  
Oh yeah, I hold the thunder  
Just waiting on that perfect storm

Tell me who is gonna save me  
The truth is I don't care

'Cause in the end I know...

I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell, yeah

All the answers seem to elude me  
Place the blame on a falling star  
If I change will heaven help me  
I can see the end is coming  
I don't care...

I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell, yeah  
I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell  
I'm goin' to hell, yeah, yeah, yeah
