

# Impossible

Royal Bliss

Don't you say that you're sorry  
That's impossible  
Don't you say that you're sorry  
That's impossible

Tied to paper moons  
Covered in photographs  
Tied to a string in your heart  
For all to see

Have you had enough?  
Are you feeling lost?  
You remember when  
When you promised love  
For me, love for me

Don't you say that you're sorry  
That's impossible  
Don't you say that you're sorry  
That's impossible

Most of our lives  
You've been rambling  
I hope you find the time  
Show me what you've seen

Have you lived enough?  
Are you missing us?  
Don't you give it all  
Please save some  
For me, save some for me

Don't you say that you're sorry  
That's impossible  
Don't you say that you're sorry  
That's impossible, yeah  
That's impossible  
That's impossible, yeah  
That's impossible  
That's impossible, yeah

Tied to paper moons  
Covered in photographs  
Yeah

Don't you say that you're sorry  
That's impossible  
Don't you say that you're sorry  
That's impossible, yeah
