

# We Did Nothing Wrong

Royal Bliss

We danced along to the violence  
not scared of anyone  
and they wont complain as long as we explain exactly WHAT HAVE  
WE DONE!  
you see these walls they wont kill that beast in your heart, or  
deep in your soul.  
I wanna know if its just an opinion or lust.  
Why do we lose control.

Ohhh..ohhhh...We did nothing wrong.  
Ohhh..ohhhh...We did nothing wrong.

We play ourselves like we're victims.  
But we stand alone in line.  
Took that test when we were all the best, but we just lost the  
time.  
Bought ourselves when we knew all along, knew along, but we sta  
yed.  
If we forget, then how can we regret a single word we say.

Ohhh..ohhhh...We did nothing wrong.  
Ohhh..ohhhh...We did nothing wrong.

Are we want  
All we take  
All we love  
All we hate  
All we sell  
All we feel  
All that's left, is nothing real.

We danced along to the violence  
not scared of anyone  
See, they wont complain as long as we explain exactly WHAT HAVE  
WE DONE!

Ohhh..ohhhh...We did nothing wrong.  
Ohhh..ohhhh...We did nothing wrong.  
Ohhh..ohhhh...We did nothing wrong.  
Ohhh..ohhhh...We did nothing wrong.

All we want  
All we take  
All we love  
All we hate  
All we sell  
All we feel  
All that's left, is nothing real.
