

Welcome

Royal Bliss

Wild side, it's the walls that beat you
If you take the dare
I'll find us a plan to teach you
So you shouldn't care

When you're falling down
Steal you crown
Feed you life
Welcome to the world
It's like satellites
Hell on earth
Welcome to the world

Find time for the ones who please you
They were always there
One day this life will leave you
What did you share

When you're falling down
Steal you crown
Feed you life
Welcome to the world
It's like satellites
Hell on earth

Welcome to the world
Welcome to the world
Welcome to the world
Welcome to the world
Yeah, yeah, yeah, yeah

Yeah!
Whoa!
Come on!
Satellite

You might not be made for glory
But nothing's set in stone
Fight till your arms are broken
And someone steals your throne

Don't waste time
On the ones that hate you
Life isn't fair
Go prove to the ones that made you
It was worth their share

When you're falling down
Steal you crown
Feed you life
Welcome to the world
It's like satellites
Hell on earth

Welcome to the world
Welcome to the world
Welcome to the world

Welcome to the world
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah
