

## Easy Rider

Royal Hunt

Somebody's gonna win,  
One of a million, one of a kind,  
So tell me it's a sin,  
I'm pushin' it up and crossin' the line.

Nobody's gonna run, Nobody's gonna hide,  
So if you lookin' for trouble - you'd better  
Stand up and find!

Easy Rider - takin' it day by day,  
Easy Rider - drinkin' the night away.  
Easy Rider - livin' it day by day,  
Easy Rider - trouble is on its way.

Since I was a kid,  
Never looked back, never slowed down,  
Ridin' down the street,  
Lookin' for one way ticket to the promised land.
