

## Edge of The World

Royal Hunt

Learned how to steal since that day - God, who knows?  
Nexr scene : I shoot - cop's dead - boy, is THAT news...  
"Big House" is waiting. You know how it goes -  
sometimes you get the bear, sometimes the bear gets you.  
Now I'm in pain - not a man, just a file,  
biting my nails in the "Dance Hall" all day  
Edge if the world's down that very last mile  
where "Old Sparky" is waiting to fry me away

And now I'm standing on the edge of the world  
Waving from the edge of the world  
Look how I'm falling from the edge of the world  
Screaming from the edge of the world  
"I'm spilling my blood for my sins - or so it seems"

Talked to our priest, asked him - "Sell me your God  
Is there a reward for being nailed to the cross?"  
Son of the bitch kind of shrieks, than he laughed :  
"If you'll make it to heaven, my son,  
the pressure is off all the rest of us"  
Killing is easy - I'm chained to my bed,  
State pushed the button and murder's fulfilled  
"It ain't no murder" - this old guard just said -  
"good folks got murdere - white trash's just dead"

I'm waiting for you to deside on mercy or rage  
Waiting - reaching out from the edge
