

# Tommy-Gun

Royal Republic

I guilty stand before you  
I know I misbehaved  
I never meant to hurt you

I humbly beg forgiveness  
Hope that my soul be saved  
And if I had a final wish pretty Miss I would only ask this:

I want you to do me with a tommy-gun baby  
With a tommy-gun baby do me, GUN-TOMMY  
If you have to kill me use a tommy-gun baby  
Use a tommy-gun baby do me, GUN-TOMMY

There ain't no use appealing  
Your justice will prevail  
This time I must be punished  
No lawyer no attourney  
No chance of breaking bail  
So won't you grant this final wish pretty Miss?  
Won't you save a last kiss?  
I want you to do me with a tommy-gun baby  
With a tommy-gun baby do me, GUN-TOMMY  
If you have to kill me use a tommy-gun baby  
Use a tommy-gun baby do me, GUN-TOMMY  
I want you to do me with a tommy-gun baby  
If you have to kill me use a tommy-gun baby

Hope that my soul be saved  
And if I had a final wish...  
I would only ask this:

I want you to do me with a tommy-gun baby  
With a tommy-gun baby do me, GUN-TOMMY  
If you have to kill me use a tommy-gun baby  
Use a tommy-gun baby do me, GUN-TOMMY  
I want you to do me with a tommy-gun baby  
If you have to kill me use a tommy-gun baby

GUN-TOMMY!
