

# Take The Shot

Ruben Studdard

Ladies and Gentlemen the time is now, ya'll all been waitin, we gone rock th  
is now (swiss beats)

Oh yea....oooooooo Oh yea

It dont matter  
That i got a house wit alot of rooms, sittin on a hill  
It dont matter  
That i got cars in my garage sittin on alot of wheels  
It dont matter  
That everywhere i go girls be screamin my name  
Material things come and go  
I just wanna let you know

That i wanna make it right and that i need you in my life  
Im down by 2 points and a 3 can win the game

What you gone do girl, you got the ball, make a move girl, you got my heart,  
take the shot c'mon take the shot, take the  
shot c'mon

And win the game girl (you got the ball), cuz its your world (you got my hea  
rt) take the shot c'mon take the shot,take the  
shot c'mon take the shot

It dont matter  
That you see me all the time in the club  
It dont matter  
Cuz deep down inside a player wants some love  
It dont matter  
That i can get a girl to come home with me (home with me)  
But i dont do one night stands no mo (no mo)  
Girl im tryin to let you know

That i wanna make it right, that i need you in my life, down by 2 points and  
a 3 can win the game

What you gone do girl, you got the ball, make a move girl, you got my heart,  
take the shot c'mon take the shot, take the  
shot c'mon

And win the game girl (you got the ball), cuz its your world (you got my hea  
rt) take the shot c'mon take the shot,take the  
shot c'mon take the shot

You got it, you got it, you got it  
Girl just take it to the hole  
You got it, you got it, you got it  
My heart, my body and soul  
You got the queen so make a move  
Im down by 2 points and a 3 can win the game

What you gone do girl, you got the ball, make a move girl, you got my heart,  
take the shot c'mon take the shot, take the  
shot c'mon

And win the game girl (you got the ball), cuz its your world (you got my hea

rt) take the shot c'mon take the shot,take the  
shot c'mon take the shot

What you gone do girl, you got the ball, make a move girl, you got my heart,  
take the shot c'mon take the shot, take the  
shot c'mon

And win the game girl (you got the ball), cuz its your world (you got my heart)  
rt) take the shot c'mon take the shot,take the  
shot c'mon take the shot

Ladies and gentlemen the time is now, (c'mon) ya'll all been waitin(c'mon) we  
gonna rock this now (c'mon now)

Ladies and gentlemen (c'mon now) the time is now (c'mon now) ya'll all been  
waitin (c'mon now) we gonna rock this now

Said you gonna take, said you gonna take, said you gonna take, said you gonna  
take....The shot  
the shot.
