Take a trip on a yacht (anywhere you want) leave them bags we gonna s

You know I love you like I used to love cake,

Would you be cool if things changed,

If I didnt roll the benz and you didnt push the Range,

I know what we got its gone

Last bay dont be mad but I still gotta ask,

What if I was broke what if I was slim

What if couldnt sing and I didnt win

What if I had to catch the bus I'll still stay

Would you be cool if things changed,

If I didnt roll the benz and you didnt push the Range,

I know what we gots gonna last and

Dont be mad but I still gotta ask,

Baby

I would give up everything I dont care about money

My life dont mean a thing not unless your a part of it

Girl I know for sure that your the only one I need

Tell me how would your life be would you still be my baby
