

# Ching Chang Chong

Rucka Rucka Ali

Oh hello please  
You can call me "DJ Not Nice"  
I run a drycleaning service in Detroit  
You want black-belt? Ten dollar cash?  
No ticket, no laundry!  
Here we go!

Ching Chang Chong! (Oh yeah)  
Ching Chang Chong! (I smack a bitch if I have to tell her twice)  
Ching Chang Chong!  
Here we go everybody (Ching Chang Chong!)  
Help me sing this song (Ching Chang Chong!)  
Rucka Rucka Ali (Ching Chang Chong!)  
Number One in USA (Ching Chang Chong!)

I talk like Ching Chang Chong  
You walk into my store  
Hurry up and buy  
This is America!

They call me Jackie Chan  
I come here from Japan  
I talk like Ching Chang Chong  
Welcome (Sing my song!)

I got that How U Cow  
I give you eggroll now  
Don't care if you want steak  
I give you by mistake (does middle finger)

You want some won-ton soup?  
I give you eggdrop! Oops!  
I talk like Ching Chang Chong  
Don't fuck with Viet-Kong!

With my ninja-supplies  
I catch you by surprise!  
I throw my ninja dagger!  
Hit you between the eyes!

I cook my Black-Eyed Peas  
while the black guy pees  
Please, wear a black tie, please  
Tell the black guy  
Peace!

I use my kung-fu grip  
to slap your bitch's tits  
My people come to your village  
and tear your heart to bits

I teach you tai-kwan-do  
You come to my condo  
I cook up crack you smoke  
You think I be some joke?

If you think I'm Chinese

I be like "Ninja please!"  
My people come from China  
but we not from Beijing

We won Olympic games  
because, you whimps can't play  
My people wear diapers  
No time for bathroom-breaks!  
Ching Chong!

Ninjas in the plaaaaace!  
Do the Ching Chang Chooong!  
Throooow your nunchucks in the aaaaairrrrr!  
Rucka like sideways vagina..

Call me DJ Not Nice!  
I eat no food but rice!  
Ancient Korean recipe  
I get from Jesus Christ!

Have you achieved the Zen?  
I give you two-for-ten  
We drink two heineken!  
I be your Chinese friend!

You bitches grind on me  
but not if you Taiwanese!  
I make you bitches cry  
with cream of some young guy!

I eat my Ramen cup  
Where did my mom end up?  
I left her in Tokyo!  
Those Filipino sluts!

I don't like Kim Jung Ill!  
He tried to get me kill!  
He fire blank missiles  
all up close in my grill!

Wait!  
Who just bombed Detroit?  
The city's been destroyed!  
It was the Japanese  
Hello, remember me?

Mother fuckers in this biiiiiitch!  
Do the Ching Chang Chooong!

Yeah!

It would be great honor  
to enter every vagina in this party  
I have been a disgrace to my father  
for every vagina I have not entered  
by force

Open Sesame... Seed Chicken  
Crowded elevator
