Rucka Rucka Ali

I am a dago
Garlic in my nose
Bakin some garlic bread for you
Watchin Italians try to be normal's
Like watchin monkeys fling their poo
Ay, I'm walking here
Im just a spaghetti vender
Im just a dirty guinea
I don't need lube on my weiner
Because im so gr-easy
My wife has a pretty mustache
Its growin off of her back
I own my own pizzeria
Mobsters all meet here at night
Come order a bite
Calzone and a Sprite
Al-Capone also might
Put you in a box
Concrete in your socks
Guess all that us wops is good at is crime
Im just a dago
Spaghetti slurper
All that they say of my race is true
All an Italian
Has ever done was
Loose at a world war
1 and 2
Them nappy headed bastards smell like shit
Id rather see them all sleep with the fish
Their all some furry hairball piece of shits
Provolone spagettos
Suck my dick
Im just a burnt pizza guido
I shoot up to stay in shape
Gym, tan, and laundrio
Im known to do date rape
Im allegedly a pedophile
That means I smush little kids
Sometimes I watch Jersy Shore and
I get so oh very proud
Wow look at those nice young talented
Bright zips goombas and wops
Suck eachothers cocks
Now Snooki's knocked up
Child protective should just park at her house
Im just a dago
A mafioso
Im just a banged up gangster dude
I guess Italian something that happened
Afficans raped some dago jews
There might be a good answer to this shit
Lets throw cannolies off of Brooklyn bridge
Italians are the dumbest group there is
Mexicans, Italians
Whats the diff?
Ciao paranto
Mitalianto

I run pasta la restaurianto
a-please come in
for slice a-pizza
im a fascista
café barista
they call me nigarigatoni
hook up my homies
with extra cheeses and perpperoni
in macaroni
im a jabroni
like mista Jesus

be hot already
it take long time
and I a-sweaty
I drink white wine
And I smoke cigarito
I clog the toilet
Call up MARIO

Eat a pasta quesadilla

Spaghetti was my idea
I am a dago
Gobbling orzo
Im just a racist hatefull goon
No one Italian has ever done one notable thing but make Ragu
Salami eating brown shirt rizzo zips
Grape stompin ginzo hot-head gino flips
The last I would like to say is this
Their food is good
And the girls have big tits
So uh no hard feelins right?
