

Dagowops

Rucka Rucka ALI

There's a race of people
That isn't too great
They make some good food
And are 2% ape
They're called Italians
They're a batch of slob
All of them stink
And they're all part of the mob

Well they're all crusty old faggots who
Should die, I hate them all
Cause all of them drink
Marinara with zinc
Putting too much garlic on everything

Dagowops
Shit smells real good compared to them
Could they die?
They're Europe's version of Mexicans
Dagowops
They're worse than Jews
Worse than chinks
Worse than blacks moving right next to me
It's dagowops
When you're in Olive Garden you're family
