

## Down

Rucka Rucka ALI

When I was a kid,  
I wished grandpa would get off me  
at least just f\*\*k more softly  
Now my mom gets,  
my clothes for me and Hot Topic,  
I dress like a Nazi

I'm pissed all the time  
I can't wait to see "Where the Wild Things Are"  
I say words like,  
"Discombobulated Melancholy"  
I look like a Nazi

\*Crying\*

I am Emo  
I dress in girl's clothes  
When I'm dancing at shows,  
I look like a four year old,  
throwing a tantrum  
Reattach my testicles

Huhuh!

I'm in The Scene  
I play bass in my band  
I like cutting my wrist  
I weigh 91 pounds,  
it's OK to cry  
Most emos kiss other guys  
'cause emo chicks are fat

When I was a kid,  
I wished grandpa would get off me  
at least just f\*\*k more softly  
Now my mom gets,  
my clothes for me and Hot Topic,  
I dress like a Nazi

I'm pissed all the time  
I can't wait to see "Where the Wild Things Are"  
I say words like,  
"Discombobulated Melancholy"  
I look like a Nazi

\*Crying\*

I farted,  
oh no,  
I farted,  
I farted

I'm so scene  
I don't care what you think!  
I'm better than you!  
You guys are mean!

Craig Owens, don't leave please

Seriously,  
I still cry to your first CD  
I wish Crai Owens would rape me  
But I'm not 13 and a 'lil white girl  
No one loves me,  
in the whole wide world  
I was Emo,  
when you were listening to Spice Girls,

And everyone would laugh at me  
So I cut myself,  
and got HIV  
But now it's cool,  
to be a Emo faggot  
I have an advantage  
I speak Spanish

I crashland on your mattress  
Do a backflip on a pile of ashes  
I knock you out with a trashlid  
My fist, yo ass  
'Bout to have a blast, kid!

When I was a kid,  
I wished grandpa would get off me  
at least just f\*\*k more softly  
Now my mom gets,  
my clothes for me and Hot Topic,  
I dress like a Nazi

I'm pissed all the time  
I can't wait to see "Where the Wild Things Are"  
I say words like,  
"Discombobulated Melancholy"  
I look like a Nazi

Do you have any idea what it's like, bein' me?  
I am just one man...  
with two balls...  
And a wiener!  
You ever wonder why I wear these pants so tight?  
My grandmother told me one time,  
She said,  
"Rucka, what's the point of having balls, if nobody sees them?"  
I'm da BEST!

When I was a kid,  
I wished grandpa would get off me  
at least just f\*\*k more softly  
Now my mom gets,  
my clothes for me and Hot Topic,  
I dress like a Nazi

I'm pissed all the time  
I can't wait to see "Where the Wild Things Are"  
I say words like,  
"Discombobulated Melancholy"  
I look like a Nazi

\*Crying\*  
I never get any friend requests!  
\*Crying\*  
Every time I sneeze,

I poop a little  
\*Crying\*  
\*Sneeze\*  
Aawwww!
