

# Hitler's Suicide Note

Rucka Rucka All

Everyone at my school called me a fag  
At home I was lied to blowing my dad  
So now I would like to, kill all of the jews  
I just saw my gas bill and I want to die  
But before I go, I will tell you good bye  
I will be back someday in the form of Tom Cruise

In another life  
I will take the world  
I will make it wonderbar for all the white people  
If your not a white  
I will make you slave  
Turn you to soap and wash my schwanzstucker on ur face  
I know it sounds gay

I could have lived my life in a better way  
I could have been nicer to gypsies and gays  
People in the wheelchairs I never should have raped  
I know this now  
Why did I put numbers tattoos on jews  
However could I know that 3rd reich would lose  
Now that numbers for how much the jews will sue

But in another life  
I will gas them all  
I will gas the jews that sell the jewelry at the mall  
In another life  
I will make it great  
Until then Melvin Gibsonstein will show the world the way  
He'll show you all the way

I want  
To take over the world  
Kill all the gays  
It would be very great

If I could only change 1 thing in life it'd be  
I'd go and put a gas chamber in Italy  
I could have killed grandparents of Pauly D  
But now, but now it's much too late

But in another life  
I will take the world  
I will make it wonderbar for all the white people  
If your not a white  
I will make you slave  
Turn you to soap and wash my schwanzstucker on ur face  
I know it sounds gay

I want  
To take over the world  
Kill all the gays

In another life  
I will make it great  
Until then Melvin Gibsonstein will show the world the way  
Justin Bieber is gay
