

I Got HIV

Rucka Rucka ALI

I got HIV
I got HIV
I got HIV from some guy out in west Hollywood in '82
I got HIV
God no, god no, I got HIV

It's all in my butt
It's all in my butt from the buttsex and dicks and the balls up
in me
They busted a nut, yeah
Got boned, got boned all in the butt
Let's pray there's a cure, heah
Somebody brought over the AIDS from off in Africa
Then it got in my butt when I fucked lots of boys
And that's how I got HIV, baby
Hoah now I got HIV
Hoah! Now I got HIV!

My life's almost gone
I never slept with women at all
Women at all
Women at all, no, only guys
I just got it in the butt
Hey, I've blown lots of naked guys I know
I never had pussy

I got HIV
I got HIV
I got HIV, yeah
I got I got I got I got HIV
