

Livin' in the Vatican

Rucka Rucka ALI

You could be a Rapist
You could be the Blessed
You could show your big Cock To little kids
You could tour the World
Hearing the applause
You could talk to God
While bangin little boys
You could stay in Mansions
Drive in gold carts
You could have a Fountain
You could rape Tots
You could cure Cancer
You could feed the Poor
But instead you sit around and rape kids

Living in the Vatican
And the World's gonna know You're gay
Cuz you're playing with the boys all day
And World's gonna know You're gay
Sleeping with the boys in the Vatican

You get paid Millions
Just to wave and smile
You could rape kids
And you'll never go to Trial
You could wear a Yamulka
You could wear a Cape
Raping all the kids that they thought never could be raped
You could tell People
You speak for God
And Jesus wants a provate word with little Todd
You could give thirsty Africans rain
But instead you sit around and rape kids

Living in the Vatican
And the world's gonna know You're gay
Cuz you're playing with the boys all day
And World's gonna know You're gay
Sleeping with the boys in the Vatican

You could be a Pedophile
Be a Pedophile
You could be a Pedophile
Be a Pedophile in the Vatican
