Niggas  
Niggas  
Niggas  
Niggas

Inside the elevator  
Drivin a taxi cab  
Niggas are on the table  
In the cabinet  
Under the bedroom covers  
Inside a coffee house  
In a bag of ruffles  
On the loveseat couch

On the floor  
On the pole  
On the wall  
At the door  
On the doll  
On the roll  
On the floor  
On the porch on the porch on the porch

Aoyyy...

On nuts

Inside the dryer  
There's niggas in the hall  
On the beach and on the ball  
And on huts  
Driving a honda  
There's niggas in the world  
On the street and in the tub

They talk like:

Bo Bo Bo Bo Bo Bo Bo Bo Bo  
Bo Bo Bo Bo Bo Bo Bo Bo Bo  
Bo Bo Bo Bo Bo Bo Bo Bo Bo  
Bo Bo Bo Bo Bo Bo Bo Bo Bo

Niggas are on the ceiling

Inside the dress up drawer  
Niggas are on the TV  
Riding a Dinosaur  
Up in outer space yeah  
Niggas all fly and flow  
Niggas and Nigs for light years  
Niggas at the mall

On a mole  
On a bus  
On a boat  
On a bowl  
On a moat  
And in the alamo

On the porch on the porch on the porch

There's Niggas in Iran  
And I think under the bed  
In Detroit  
Starting a fire  
There's Niggas everywhere  
And I see them in the air
