Rucka Rucka ALI

Everybody get up

My fellow Americans  
It has come to my attention  
A black man is  
In the White House  
Please rest assured  
The Secret Service is looking into the matter  
And the black man will be dealt with  
Thank you

If you're talking  
About me on your twitter  
Or chatting with your neighbour  
Calling me a white house nigger

I see you on the  
N-S-A  
I hear you on the  
N-S-A  
Why don't you say it  
To my face?  
You're talking shit about me

When you take off your clothes  
Taking some titty picture  
Posting them videos  
For some old man to jerk it

I see you on the  
N-S-A  
I'm checkin' on the  
N-S-A  
Come rub them titties  
In my face  
Showing your tits without me...

Your Guns  
I really want 'em (I want your guns)  
Let me hold on 'em (I want your guns)  
I'll give 'em back and I need  
Your funds

I need some money (I need some money)  
Give me some money (Give me some money)  
Hillary Rodham is a  
Bull dyke

She munches carpets  
She has hairy armpits  
And we be tappin' on your  
Phone Lines

When you talk 'bout me  
When you insult me  
You're saying fuck me

I can hear you talking shit  
Telling people I ain't shit  
Suck my giant hairy dick  
I FLY A ROCKET SHIP IN YOUR FACE

I hear you on the  
N-S-A  
I'm checkin' on the  
N-S-A  
You're talking 'bout me  
Everyday  
You're such a player hater

Hey fuck you Edward Snowden  
Why you fuck with my shit for?  
This guy is a hero?  
He's another bum living at the airport

I see him on the  
N-S-A  
Drinkin' a pint of  
Hennessy  
Come catch a flight with me  
Esse  
I got drones circling in the  
WHOLE WORLD

You wanna start shit?  
Ya better watch it  
I see the hobbit porn that you watch  
ONLINE

Oh, you embarrassed?  
Should I show your parents?  
Whatcha get your ass kicked in the  
LUNCHLINE

Dungeons and Dragons  
You're just a 4eyed virgin  
Book Worm

Ya feel like scrapping?  
Yeah bro come at me  
My boys are strapping

When you're walking  
minding your business  
Or at home trying  
heels and lipsticks  
I'm watching you from  
Air Force One  
So before you talk shit  
Be careful son

I monitor your  
High-speed connection  
To help you vote for me  
next election  
I watch you pee  
For your own protection  
I'm in your dreams  
Like Inception

My skin is  
Brown and white  
When I'm in your kitchen  
I blend in and hide

My ears are built in  
Hearin'shit you say  
Tell your children  
I'm under the bed

Edward Snowden

N-S-A  
Stealing a thigh from  
K-F-C  
This must be some kind of  
mistake  
I was at home watching  
Real House Wives

With all my daughters  
Well the ones I know of  
You know about keeping track of children and us  
Black guys

Please don't arrest me  
Here I'm confesing  
Since when is stealing chicken  
A crime?

I was really hungry  
And I had no money  
And they wouldn't accept my  
Food Stamps

I'm really sorry  
Let's play atari

I am Bengali  
I'm from Benghazi

Ladies and Gentlemen of this  
All white females jury of my peers  
I look forward to my time in prison  
Where I could easily find crack  
And hangout with my good friend OJ

Spying on Americans is like uh  
Saying the N-word  
Only a black president can do it  
hehe hehe

As your president  
I replaced the bald eagle  
With the fried chicken  
Thank you
