Met a girl on the internet
I said hey bitch what's you sign?
Noticed you got slutty pics
Can I nail your face sometime?
She said

Nigga you gonna get me wet
Fuck my face

Your place all night

I got place in my heart
For the new technology
In between fart teaching people biology
Whip out my phone
When I sit on my throne
Taking pictures of my dick
With a dookie in my bum
Ha and the picture is perfect
Got the fat deuce and showing my girthage

But you probably had it coming
Dreams of my dick putting babies in the oven

Got a call from the place I work
My boss said
"You're late you fucking jerk, come in right now"
I can't
"Why not? I need you right now"
I sent a pic of my dick
The president calls
"The world will end if you don't help us bomb Sweden"
I got no time
Hold on I'll send it in
I sent a pic of my dick
