

We Wish

Rucka Rucka ALI

We wish we could see your bitch tits
We wish we could see your bitch tits
We wish we could see your bitch tits
Bitch nigga for real

We slip shit into your bitch drink
We slip shit into your bitch drink
We slip shit into your bitch drink
Bitch nigga, yeah yeah

I stole a car
And got in a fight
I should have stayed home,
And just beaten my wife

We wish we could see your bitch tits
We wish we could see your bitch tits
We wish we could see your bitch tits
Bitch nigga for real

I smoked my coke
I got from your mom
I got it for free,
'Cause she jerked off my dog

We wish we could see your bitch tits
We wish we could see your bitch tits
We wish we could see your bitch tits
Bitch nigga for real

We slip shit into your bitch drink
We slip shit into your bitch drink
We slip shit into your bitch drink
Bitch nigga, yeah yeah
