

Better Man

Ruff Endz

There is a path that's taking my most
But it's not the one, not the one I chose
Girl I'm a thrill seeker, so I set of on my own
Searching for adventure into the great unknown

Meeting you wasn't part of the plan
But look how much I've grown
Girl I'm a better man
Cause you captured my heart
I'm gonna do all I can, all I can for you baby

Your the kind of woman, who makes me a better man
Even though I ain't perfect, you take me the way I am
Never hesitate to find the good in me
You inspire but you don't demand
Cause you're the kinda woman that makes me a better man

They say if you look behind a successful man
You'll find a good woman
You never have to hide, you're at my side
Baby sometimes you are out in front
You give me everything I want
Now my life time plan is to be a better man
And to do all I can for you

Your the kind of woman, who makes me a better man
Even though I ain't perfect, you take me the way I am
Never hesitate to find the good in me
You inspire but you don't demand
Cause you're the kinda woman that makes me a better man

You found me, believed in me
Something in my heart that you seen in me
You held me down, you got my back
My heart is tangled up trap
Girl no one else can take your place
It's like I'm in heaven when I see your face
It's you who makes me a better man

Your the kind of woman, who makes me a better man
Even though I ain't perfect, you take me the way I am
Never hesitate to find the good in me
You inspire but you don't demand
Cause you're the kinda woman that makes me a better man

Gave me what I been missing
Heart's been in remission
You're the one that I've chosen
You put my heart in motion

Girl it's you that makes me better
We bulletproof together
We gon' ride out the weather
We gon' focus on this cheddar
Cause you make me girl, a better man
