

Overnight

Ruff Endz

Like overnight, overnight
Baby girl our love is out of sight
My feelings for you soaring like a kite
Like every night, every night
I'll go to war, I'll put up a fight
Girl, I will do whatever to keep it tight
There's nothing I won't do

Many nights we talk about
Now I'm feeling lost without you
I don't know how we ended up here

I don't know what you did to me baby, what you done put in my cup
Been feeling like I'm dreaming since I met you
And I don't wanna wake up
Interruption to my timeline
Baby when you smile the sunshine's
When you be kissing me you stop time

Loving you and your lace front
Baby you is what I want
All of your imperfections
Girl, you are a blessing
Hold on tight don't let go
Girl, you're deep in my soul
Girl you are gaining control
You took me out of the cold

Overnight, overnight
Baby girl our love is out of sight
Feelings for you soaring like a kite
(My heart belongs to you)
Like every night, every night
I'll go to war, I'll put up a fight
Girl, I will do whatever to keep it tight
(There's nothing I won't do)

Many nights we talk about
Now I'm feeling lost without you
I don't know how we ended up here

Baby your love is like sugarcane
Baby, you're feeling like summer rain
You're taking me up like an airplane
Your love never going against the grain
I can't refrain, calling out your name
The way I be feeling I'm not ashamed
(Not ashamed)
Baby you gone ride with me
Cry for me like Jodeci
'Cause I'm loving you properly
You bringing me down to my knees
Got me doing more than you want me too
All I want to see is the best in you
Oh I, you got me on your page
Liking pics, crushing on you

Overnight, overnight
Baby girl our love is out of sight
Feelings for you soaring like a kite
(My heart belongs to you)
Like every night, every night
I'll go to war, I'll put up a fight
Girl, I will do whatever to keep it tight
(There's nothing I won't do)

Many nights we talk about
