

Don't Hate Me

Rufio

I remember when we would laugh all night
and nothing could stop us
moments shared we're picture perfect
memories remain

All I want is to be just friends
understand, but don't hate her

Feelings change
No strength in me
I'm sorry, my love for you is gone
My love is gone

Honesty is all
We make mistakes I know
And I knew something's wrong
I couldn't lead you on

Well I see, you and me
Separating for good
No more friends, this can't be
My best friends gone

Night is over
Orange haze has
Filled my eyes again
She's not perfect
I'm still feeling
Weak inside when she's around
Well don't hate me

Don't hate me, don't hate me
We're all done, we're all done
We're all done, we're all done
