

# Demonstrosity

Runemagick

Rudolfsson

In solitude it dwells  
Beyond the eyes of light  
In a world of darkness  
Where no other life remains

Withered black wings  
A creature of the unknown

You can not see  
The shadow of the one  
Without no human soul  
Flesh and bones

Demonstrosity  
Spawn of obscurity

A forgotten abyss  
In the heart of the dark  
A home for the demon  
Spawned beyond our time

Cold black eyes  
A creature of the unknown

You can not see  
The shadow of the one  
Without no human soul  
Flesh and bones

Demonstrosity  
Spawn of obscurity
