

Revolution of the Dead

Runemagick

Are we dead
In this room
Of this so called life
The everlasting tomb
We must escape
This trap
Of oblivion
This tragic life tomb
We shun the life
There is a way beyond the knife
We shun the life
Revolution of the dead
Follow the voices inside
In the shadows you can't hide
Follow the dreams of the night
Escape from the light
Are we dead
In this room
Of this so called life
The everlasting tomb
We shun the life
There is a way beyond the knife
We shun the life
Revolution of the dead
