

Runes of the Undead

Runemagick

Thunder echoes
From the ancient tomb
The pagan womb

Closer to the fall
Death awaits you all

Runes from the dark
Signs of death
Runes of the undead
Signs of doom

Screaming echoes
From the past cataclysm
The fatal eclipse

Closer to the fall
Death awaits you all

Runes from the dark
Signs of death
Runes of the undead
Signs of doom

Behold darkness
Behold end of life
