## Winged & Feathered

**Running Wild** 

Gods & warriors In a long agone age Tragic & glorious Where fate turned the page

Time was mythical Mount Olympus alive

Spreading his wings to fly Touching the golden sky Fury against the dark Loyal and true at heart

Winged & feathered, flying on high Winged & feathered, way up in the sky

Gliding majestically The winged horse in the sky Turning perfecly Natural born to fly

Spreading his wings to fly Touching the golden sky Fury against the dark Loyal and true at heart

Winged & feathered, flying on high Winged & feathered, way up in the sky

Spreading his wings to fly Touching the golden sky Fury against the dark Loyal and true at heart

Winged & feathered, flying on high Winged & feathered, way up in the sky
