

# All of a Sudden

RuPaul

Na na na na na na na na  
Na na na na na na na na

One day last week  
I came across a miracle  
What can I say?  
I thought it was impossible  
I don't believe in love at first sight  
But I had to admit  
I was quite surprised  
I fell in love that very first time  
Then I turned around  
And looked in your eyes

You took me on a natural high  
And so high  
I can fly like a bird in the sky

(All of a sudden)  
My life has a meaning  
(All of a sudden)  
There's beauty in everything  
(All of a sudden)  
Since love came into my life

Na na na na na na na na  
Na na na na na na na na

Oh happy day  
When you walked right through that door  
And by the way  
I've never had a love like this before

You took me on a natural high  
And so high  
I can fly like a bird in the sky

(All of a sudden)  
My life has a meaning  
(All of a sudden)  
There's beauty in everything  
(All of a sudden)  
Since love came into my life  
(All of a sudden)  
My heart has a sunset  
(All of a sudden)  
And oh what a feeling!  
(All of a sudden)  
Since love came into my life

(Love, love)

I was living in darkness  
No love to come home  
And pow, there you were

You took me on a natural high

And so high  
I can fly like a bird in the sky

(All of a sudden)  
My life has a meaning  
(All of a sudden)  
There's beauty in everything  
(All of a sudden)  
Since love came into my life

(Come on, come on)  
(Come on, come on)

(All of a sudden)  
My heart has a sunset  
(All of a sudden)  
And oh what a feeling!  
(All of a sudden)  
Since love came into my life

(All of a sudden)  
(All of a sudden)  
(All of a sudden)  
(All of a sudden)
