

# Celebrate

RuPaul

Act of love  
Is a luxury  
The suit he wears  
Belongs to me  
The road is long  
Seven thousand miles  
Soldier talk  
And uniform

We can live  
I can live  
Celebrate  
Celebrate  
We can live  
I can live  
Celebrate  
Celebrate

She rag doll  
Keeps him warm  
This negative  
Shows no form  
He salutes the crowd  
"Go west young man"  
Run run run  
The hollow man

We can live  
I can live  
Celebrate  
Celebrate  
We can live  
I can live  
Celebrate  
Celebrate

To a distant land  
Sand and sand  
Touch to touch  
A marble man  
The house is glass  
Furniture's chrome  
Soldier talk  
And uniform

We can live  
I can live  
Celebrate  
Celebrate  
We can live  
I can live  
Celebrate
