RuPaul

Alright, my Christian brothas and sistas!
JJ has just returned from Inglewood, California
With a new dance called the bounce
Uptown with a Downtown bounce!
Ladies and gentlemen, we're gonna give it up for JJ
JJ come on down here and show us how to drop!

(Drop, drop, drop, drop, drop, drop, drop, drop...)

Watch her drop like a hot potato!
Then levitate like she Darth Vader!
She don't know nothin' but the twerkin' tho!
Cause when she get low, she hit the flo'!
Gravity don't mean nothin' to her!
Spin on her head when she sip Kahlua!
If she a big girl, she lovely though!
Serving face when she hit the flo'!

She like to drop! (Drop!)
Drop, drop!
She like to. (DROP!)
We love them girls that drop!
Drop, drop! (Drop!)
Drop, drop!
She like to drop, drop! (DROP!)
We love them girls that drop!

Is she [?] she standin' tall?
Baby girl is about to twirl
Arch her back, land on her heel
Face beat with some MAC, fact!
Cross her neck like a chiropractor
Catching air like a figure skater
[?] love her but the bitches hate her!

She like to drop! (Drop!)
Drop, drop!
She like to. (DROP!)
We love them girls that drop!
Drop, drop! (Drop!)
Drop, drop!
She like to drop, drop! (DROP!)
We love them girls that drop!

Drop, dr-drop, dr-drop, dr-drop
Drop, drop, drop, drop
Drop, dr-drop, dr-drop, dr-drop
Drop, drop, drop, drop (DROP!)
