(Start the music)

You got the power
Hour after hour
I just wanna light you up
You got the spotlight

Hot, that icy fire
Burning with desire
I just wanna light you up
You got the spotlight

Spotlight, spotlight (baby come on)
Spotlight, spotlight (ow, ow)
Spotlight, spotlight (baby come on)
Spotlight, spotlight (ow, ow)

That icy fire
That icy fire

(Start the music, start the music, start the music...)

Just wanna, oh oh
Just wanna light you
Just wanna, oh oh
Just wanna light you up

Spotlight, spotlight (baby come on)
Spotlight, spotlight (ow, ow)
Spotlight, spotlight (baby come on)
Spotlight, spotlight (ow, ow)
