

# Throw Ya Hands Up (2015)

RuPaul

Yo' man done did you wrong  
So honey leave that mess at home  
Call yo' girlfriends up  
On the phone

Time to dance, grab ya stage, get yo' body on  
Get the  
Get the  
Get the  
Get the  
Get the party on  
Get the party on  
Get the party on  
(Come on)

Throw ya hands up...  
Time to get down  
Throw ya hands up...  
Throw ya hands up...  
Time to get down  
Time to get down, down, down, down, down

Throw ya hands up...  
Time to get down  
Throw ya hands up...  
Throw ya hands up...  
Time to get down  
Time to get down, down, down, down, down

Every eye's on you  
Causing a scandal with those moves  
Legendary attitude  
Bottles poppin  
Cameras watchin'  
Now pose for YouTube

Get the  
Get the  
Get the  
Get the  
Get the party on  
Get the party on  
Get the party on  
(Come on)

Throw ya hands up...  
Time to get down  
Throw ya hands up...  
Throw ya hands up...  
Time to get down  
Time to get down, down, down, down, down  
(Come on)

Throw ya hands up...  
Time to get down  
Throw ya hands up...  
Throw ya hands up...

Time to get down  
Time to get down, down, down, down, down

Get the  
Get the  
Get the  
Get the  
Get the party on  
Get the party on  
Get the party on  
(Come on)

We got the rhythm to make you move  
Now let me see what you can do  
We got the rhythm to make you move  
Now let me see what you can do  
We got the rhythm to make you move  
Now let me see what you can do!

Throw ya hands up...  
Time to get down  
(Oh, everybody)  
Throw ya hands up...  
(Ah, everybody)  
Throw ya hands up...  
(Uh, everybody)

Throw ya hands up  
Time to get down, down, down, down, down  
Throw ya hands up

Throw ya hands up  
Throw ya hands up  
Time to get down, down, down, down, down  
Throw ya hands up
